Below is a copy of my letter sent in regard to my strong opposition to WESRA now and forever. I now copy it to you as a member of the committee deciding the future of this legislation.

As a citizen of Quincy, a city rich in the historical efforts to protect our freedoms, I ask that you join me to oppose a great present threat. A threat to silence us, a threat to take away our individual rights of life, liberty and the pursuit of happiness. I am referring to an ill conceived legislative bill called WESRA, H.2980 and S.1591

A democracy must allow the individual expression of the citizens in order to survive as a democracy. To block this freedom is the beginning of tyranny.

Join me to preserve freedom, oppose WESRA.

Sincerely,

Faye Anderson
