Dear Chairman Keenan and members of the joint Committee on Telecommunications, Utilities and Energy

My name is Ayman Mahmoud and I reside at 1358 High Street in Westwood, Massachusetts.

I am writing you to ask your help and support of these 2 bills H2962 an Act relative to gas expansion filed by Representative Paul McMurtry and H2950 an Act relative to natural gas leaks filed by Representative John Keenan.

I appreciate your help and ask that you please send me a response letting me know if you are able to pass a Bill that would save energy and benefit all our community.

Thank you for your time and considering my request.

Sincerely,

Ayman Mahmoud
